Suzanne -- sorry for the delayed response!

Yes, the Columbia Falls tour is off the schedule and this is reflected in Shaun's itinerary. We still have a tour of the Smurfit Stone site scheduled for Monday June 1. I have the RPM, Sara Sparks and CIC, Cynthia Peterson working to put this tour together.

I look forward to participating in the CFAC and Smurfit Stone briefings for you and Shaun.

Julie and Joe --

I wanted to make sure that the tour of the Columbia Falls site has been taken off Shaun's late May Montana trip itinerary, following the input of the EPA site team. I agree with the team that this makes sense. Would you confirm? Also, will you take the lead informing Shaun about this change?

Thanks,

Suzanne
